indalo
inclusive

ELIGIBILITY CRITERIA

- Be a resident of South Africa
- The enterprise should be operating within higher learning institutions located in townships across South Africa (definition of township: geographic settlements on the periphery of cities historically segregated through racial lines and are underdeveloped, usually (but not only) urban.)
- Enterprise should be within the following sectors: Sustainable agriculture, clean energy (energy storage, resource efficiency, smart grid), water purification and provision, sustainable waste management, and sustainable transport.
- The applicant should show willingness to learn, grow and commit to the full duration of the programme.
- The applicant must not be currently participating in more than two incubation programs in South Africa.
- The applicant must be directly involved in the enterprise operations.
- The enterprise should provide innovative solutions or technologies that directly address the challenges faced in the township and contribute to improving livelihoods in the area, demonstrating creativity and forward-thinking approaches.
- The enterprise should deliver social, environmental, and economic benefits or impacts.
- Enterprise should have intention and potential to create and sustain new local jobs.
- Enterprise must offer skills development opportunities for current employees.
- Enterprise must be registered and operational for at least 1 year or more
- All gender, youth, and person with disability are encouraged to apply.

Closing Date for applications: 31 March 2025
