Programme Background

The Indalopreneurship PachiPanda Programme is designed to augment and complement the MTN WWF PachiPanda Challenge post pitching competition. The PachiPanda incubation programme aims to support aspiring green tech entrepreneurs with innovative solutions that contributes to the green economy. The programme will consist of technical support through contact workshops, mentorship sessions and financial support through a grant funding.

Criteria

- Qualify as a South African youth (15-35 years)
- Persons with disabilities are encouraged to apply
- Have an innovative green tech solution within the water, agriculture, energy and waste sectors
- The enterprise should positively contribute to climate change adaptation or mitigation
- Delivers social, environmental and economic benefits
- Has potential for growth
- The applicant should show a willingness to learn, grow and commit to the full duration of the programme (4-6 months)
- The applicant must be directly involved in the enterprise's operations
